Introduction of Malang

20 / 26 October

Don't miss your chance!

PT Elite Investment would like to guide you to the virgin areas that Malang East-Java has to offer.

Malang is harmless from its active volcano Bromo, what attracts millions of tourists. The area surrounding Bromo is suitable and developed for tourists.

But Malang has more to offer!!

Malang has the most breathtaking virgin beaches of Indonesia.

It's surrounded by beautiful natural flora and fauna.

The area used to be protected, however due to new regulations, the government decided to share its beauty with the rest of the world.

PT Elite Investment works with government and local organisations to develop the area in a sustainable way with the following guidelines.

1. The Investment must have a benefit for all involved parties;
2. The Investment must respect the cultural values of the locals;
3. The Investment must be blending in the natural surrounding;
4. The Investment must attract tourists;
5. The Investment must create economic growth and welfare.
